Ten persons were involved in two accidents investigated by City Police officers late last week. Extensive damage to a local business establishment occurred in the first incident when a '69 Volkswagen crashed into the side of the Save-Way Carpet Market on the I-75 Business Loop, the car occupied by five Traverse City people.

According to city police, Lori Bair was driver of the vehicle which caught afire and was destroyed in the accident. She was injured in the crash along with other car occupants, Brad Kethman and George Steffes. Escaping injury were Theresa Antoine and Cindy Korvanen. No report on the extent of injuries to those transported to Mercy Hospital was available at press time.

A two-car collision was also investigated by city police officers involving two cars occupied by a total of five, three from Grayling. The cars, one driven by Ruth Fridrich of Grayling and her 14-year old son and 8-year old daughter, the other driven by Donald Chandler, Texas and Jennifer Bennett of Grayling, collided at the I-75 Business Loop-Glen's Market driveway.

Two ambulances were called to the scene as well as the Volunteer Fire Dept. Rescue Unit, which used the Jaws of Life in helping to evacuate the crash victims.

From Our
Corner ...

In case you didn't notice...we have had some what of a problem starting the corner tonight...just can't seem to get this turkey on the road, possibly we're thinking too much about the celebration coming up Wednesday, and we don't have to worry about getting your favorite paper out until Thursday morning...come to think about it, this is the first time we have held back due to a holiday since we took over...all other holidays during the week, we have managed to print a day earlier than normal...

We never knew we had so many enemies (or friends?) since last week's edition and the hospital auction was over with...really for the truth...we didn't think that many listen to the radio...seems like everywhere we went we heard but one saying...I thought you were in jail...we haven't found out the culprit yet, but have a good idea...more on this when we find out if the \$35 bucks has been paid to Jack Witten, head man on the hospital auction...

An idle thought...we saw Joe Pete Thompson on the street Monday morning, after saying how you doing...he gave a funny smile and said he liked our corner last week...possibly he thought we had already visited Kojak's Hotel...

Tom Gibbons just left the back room after letting us know that the 38th Infantry Division, who are due in Grayling this weekend and that their Military Band will be presenting a concert on the Grayling State Bank lawn the evening of Wednesday, July 11th at 8 p.m. We thought we would just throw that in our corner just in case you passed it up on the front page...set that night on your calendar...it's a fine evening of entertainment...

An idle thought...there must be oil under this jack pine soil...

Right at this moment we are thinking about a conversation we had with Ralph Stevens a few weeks ago at the bash for Michigan National Guard officers at the country club...the way Ralph put it...at one time when he was in Alpena he told us he had charge of somewhat of a column we struggle through each week, and stated this one time someone must have been perturbed at his essays so they told him why don't you just say this is a blah column and leave the space you would have taken up...he told us he did just that, and won the Pulitzer prize from the potato growers that reside in the Posen area...see there is still a chance for ye ol' editor...

As of Monday our good old United States mint has done it to us again...by the act of some part of our government we now have a dollar that resembles a quarter, and a bit smaller than a half...what it is going to do is test our feel when you start to pay for our orange pop in a dimly lit ice cream parlor...if we may, we will prognosticate...the new buck will last about as long as the 2 buck paper...

Now we go into our family tree...we attended a party Saturday afternoon for two of our third cousins at Camp Grayling in honor of their graduations...Mark Hanson from the US Military Academy and younger brother Curt Hanson from GHS...it was a beautiful party, all the chicken, beans, potato salad, dessert, and all the orange pop you wanted...for us it was reuniting with persons we didn't even know we were related to...and a few we wish we were close enough to be considered kissing cousins...but then that tasks the old fellow, so its just as well...

We have ran out of time, space and thoughts...so we will just mention here...we hope you had a wonderful 4th of July, and we're most happy you are able to read our corner today...

Grayling Laundry has moved into its new quarters—the former Benson Garage. Miss Grace Nelson has been having as her guest Miss Agnew Larson of Saginaw. The latter at one time resided in Grayling. Norman and DeVere Dawson and Robert Sorenson spent Sunday in Detroit where they expected to attend the League baseball game, but the game was called off on account of rain. Don McKenny left Wednesday for his home in Detroit to spend a few days. Mrs. Arnold Rotermund, Mrs. James Brown, Mrs. Bud Gould, Mrs. Alan Stevenson and Mrs. Ward Ellison are new auxiliary members. Miss Claudia Robertson of Lansing is the guest of Ben Jerome, Jr. Mrs. Bert DeFrain spent the Fourth in Cheboygan. Grant Thompson and family have had his brother Wayne and family of Detroit visiting them. Frank Tetu has opened a gas station near his home on US 27 and is selling Sinclair.

Harry Connine left Monday morning for Ferris Institute at Big Rapids where he will take a short course.

Mrs. Marco Taylor and daughter Erma of Toledo are visiting for a few days at the home of Mr. and Mrs. A. Taylor. They are always welcome.

T.W. Ward is having a telephone line put up along and thru the Forest Farm property.

Fire about 1:30 on Tuesday afternoon of last week, the T.E. Douglas and Co.'s plant of this place caught fire and within a short time the entire plant was consumed and a large quantity of shingles and the blacksmith shop.

The worst fire ever experienced was on Friday, July 1st, when the fire came over the hills from the northwest at the rate of ten miles an hour, before the fierce gale from the northwest destroyed everything in its track.

The Manistee and Northeastern R.R. expect to begin regular schedule service about the 18th. They will erect a passenger house, freight depot, and round house on Lake Street once having the ground graded and ready for the mechanics.

From Calvary Baptist Church

Paul Defends a
Perfect Gospel

Gal. 1:10-12

Some of you were no doubt shocked last week to hear the apostle Paul say there is but one true gospel of God's grace, and anyone who changes it is accursed. We saw the key word for the truth of the gospel is "grace". The gospel of the grace of Christ is simply the work of Jesus Christ including His death, burial and resurrection for our sins, and the gift of eternal life. The key word for a perverted gospel is human "works". Every false or perverted gospel says we must "do something" in connection with God's grace to be saved. The perfect gospel of grace says "believe". The perverted gospel says "do".

Paul by staying straight in the gospel of grace was striving to serve Christ rather than to please the people of his community.

"For do I now persuade men or God? or do I seek to please men? for is I yet pleased men, I should not be the servant of Christ." Gal. 1:10. Paul's job was not to persuade God of man's good works, but to persuade men of God's grace. Man's pride is repulsed by God's grace, and man is pleased to feel he has earned a part of his salvation by self effort. Paul refused to please men by compromising, but chose rather to be a faithful servant of God.

Paul defended the perfect gospel because it was neither human in origin or transmission to him. "But I certify you,

brethren, that the gospel which was preached of me is not after man. For I neither received it of man, neither was I taught it..." Verse 11 & 12.

Paul defended the perfect gospel because it came directly by the revelation of Jesus Christ. God in person revealed His message of grace for our salvation to the apostle Paul. It is no wonder Paul rejected all other gospels as perverted, and their authors as accursed.

My friends we still have the preserved Word of God which gives unquestionable testimony to this same gospel of God's grace in Christ to all who will believe. Stop trusting in your good life, church membership, baptism, confirmation, catechism, prayers, sacrifice for others, honesty and many more good works.

You may be trusting all these things and be lost for eternity. The vicarious death, burial and resurrection of Jesus Christ must be your central hope of Heaven. If your religionism or religiosity is expected to complement your hopes of Heaven, you are in grave danger of Hell.

Good works are a natural fruit or result of salvation, they can never be a scriptural part of the source or support of such salvation. As the old hymn says: "Jesus paid it all, All to Him I owe; Sin had left a crimson stain, He washed it white as snow." Only a perfect gospel of God's grace in Christ could produce a perfect salvation for all eternity. (adv.)

Homemaker's Service

Homemaker's Services has only been in existence for about a month and already I have to ask for your help. And, before you hide your billfolds, I'm not asking for money. What? That's right...and you don't have to sign over your first-born.

I need more referrals for our Homemaker Services. I have to depend on you to help me find people that need the services so I can send a worker in to help with the housework, go grocery shopping or transport to the doctor's offices.

The only requirement is that the people needing help be 60 years of age and over, and are not able to do these things for themselves, temporarily or permanently.

The best part is that it doesn't cost the client anything either. Call me at 348-9314 at the Senior Citizen Center for more information. by Vivian Nichols

CARD OF THANKS

I would like to thank Dr. Rosi and the north wing staff, family and friends, for their visits, flowers and cards while I was in the hospital.

Roscommon State Bank

To Build Its Eighth...

Roscommon State Bank president, B.E. Jenner, announced the proposed opening of their eighth branch office to be located on M-55 approximately one half mile east of the US-27 interchange at Houghton Lake.

The new red-brick permanent structure will carry the colonial motif. The new building will consist of approximately 1,000 square feet and will serve primarily as a drive-in facility to better serve its many customers.

The facility will start with two lanes of drive-in traffic with a third to be added at a later date as volume warrants. Other features of the new bank will be adequate paved customer parking for individuals who might like to use the new two-window lobby area and will have a new night depository. The bank will provide all deposit services.

Officials of the bank are striving for an early fall opening. Bids will be advertised in July with ground breaking the first of August. The new branch will be called Houghton Lake West.

The Roscommon State Bank also announces that it has received approval from the Financial Institutions Bureau and the Federal Reserve Bank for a ninth branch bank to be located near the intersection of M-55 and M-18 near the Music Box in Prudenville. Plans are still on the drawing board and a formal announcement will be made at a later date.

City Council Proceedings

Regular meeting of the City Council held June 25, 1979. The meeting was called to order by Mayor McEvers at 7:30 p.m. Members present: Westervelt, Failing, Thompson, Golnick, McEvers. Members absent: None.

Also in attendance: Jerry W. Morford, City Manager; Allen V. Schreiner, City Treasurer; Nelson A. Miles, City Attorney; Don Geiss, Herald Times; Jeanne Lange, Jackie Bonkowski, Crawford County Board of Commissioners and A. Donald Sorenson, City Water Department.

Motion by Failing, supported by Westervelt that the minutes of the meeting of June 11, 1979 be approved as presented. Ayes: 5, Nays: 0, motion carried.

There were no citizens present who wished to speak. No communications were received.

Old Business

Purchase of a street sweeper was discussed. The City Manager asked since the budget proposal for a sweeper was changed, what is Council's desire as far as a sweeper is concerned. Council expressed the opinion that whatever we buy should be new rather than used equipment. Mr. Morford will procure comparative prices of vacuum and mechanical sweepers.

The subject of a private mausoleum in Elmwood Cemetery was brought up. Mr. Morford explained the reasons behind Mr. Clough's requesting permission to erect a mausoleum. The only question remaining is the perpetual care fund to be established to maintain the structure and how much credit to give Mr. Clough for funds apparently previously paid.

Motion by Golnick, supported by Thompson that \$150.00 be credited to the perpetual care fund to be established by Mr. Clough. Ayes: 4, Nays: 0, Abstain: McEvers, motion carried.

Information about the need for possible changes in Cemetery Rules and in the Cemetery Ordinance were requested by the City Manager. This is in reference to flowers, decorations, etc. The subject was discussed in detail. Based on the discussion, Mr. Morford will draft some information for Council's examination.

Mr. Morford reported on the S.S.E.S. the S.S.E.S. is in its final stages and Mr. Richards is preparing his report. He presented a bill from Richards and Associates for engineering services in the amount of \$21,955.69 and recommended payment. He also presented a bill for Hydrological Analysis for \$1,202.29. Motion by Westervelt, supported by McEvers that the two invoices from Richards and Associates totalling \$23,157.98, be approved. Ayes: 5, Nays: 0, motion carried.

New Business

The need for patching several areas of city streets was discussed by the City Manager for Council's benefit. He presented a proposal from Lake Paving Co. The proposal is for \$4,448.00 to prime and double seal the areas; also needed is approximately 165' of Madsen St. The total would be less than \$5,000.00 according to the City Manager. He noted some other patches which need to be done on State Street and the City Park. Council suggested that work be done on Peninsular, Erie Street and the Middle School area at the same time.

Purchase of a truck for the Water Department was considered by Council. Mr. Morford stated that the 1974 van needs to be replaced as it is badly rusted. The amount budgeted for fiscal 1979-80 is \$5,000.00.

Motion by McEvers, supported by Thompson that the City Manager be authorized to negotiate the purchase of a truck for the Water Department. Ayes: 5, Nays: 0, motion carried.

Motion by McEvers, supported by Golnick that Council enter executive session to discuss the retirement program for employees. Mr. McEvers withdrew his motion temporarily.

Discussion of water and sewer rates took place. Mr. Morford detailed the background of rate structure. The subject will be studied further.

Need for adjustment of water and sewer tap fees was discussed. At the present time the city loses money in every installation. Further research will be made.

Council considered the problems of water billing and collection. Mr. McEvers remarked that perhaps some incentive should be given to "sewer only" customers to get them to add water service and/or perhaps some stringent penalty for non-payment. Mr. Morford will prepare a proposal for Council's examination.

Mr. Morford reported on a meeting with County representatives concerning assessing.

Motion by Thompson, supported by Golnick that the City Manager be authorized to negotiate an assessing contract with Crawford County for a figure not to exceed \$9,500.00. Ayes: 5, Nays: 0, motion carried.

Reports of Councilmen

Mr. Thompson asked about errors and omissions insurance.

Mr. Golnick asked about replacing the fence behind Scheer Motors which they have knocked down. Mrs. Westervelt asked "What is the penalty for destruction of City property?" Mr. Miles stated that if Council is sure that Scheer Motors knocked the fence down during his operation, we should fix it and send him a bill.

Motion by Westervelt, supported by Golnick that estimates for repair of the fence be obtained and a letter be sent to Scheer Motors relative to the cost of such repair. Ayes: 5, Nays: 0, motion carried.

Mr. Golnick asked about grading Alger Street. Mr. Morford replied that it will be done in the morning.

Reports of City Manager

Mr. Morford reported on:

- Certificates of Insurance from Mr. Baldwin of Grayling Cable Services, Inc.
- Possible purchase of blinds for City Hall windows.

CHIMNEY SWEEPS

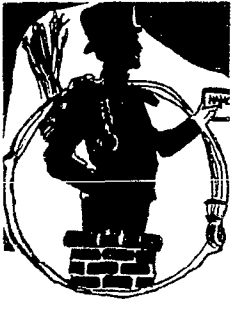

Chimney Cleaning—
Do you need a professional?

Most people are aware that you need to have your chimney cleaned once a year, but do you need a professional to do it. The idea behind cleaning a chimney is to figure out a way to dislodge the creosote without damaging the flue. You can use a burlap bag filled with sand and gravel, a paper bag filled with rags, or a brick wrapped in a piece of carpeting and lowered on a rope. These methods will knock off some soot, but they do nothing against creosote, and you could have a chimney fire the next day.

You may hear of people using chains or a hoe blade for the dirt inside the flue. Don't try it. Unless you know exactly what you're doing, chains and hoe blades are liable to chip mortar, knock out bricks, and in general, wreck havoc on your chimney. If you have used this method, have your chimney examined soon. It could be unsafe.

If you have more questions about chimneys or cleaning, or if you just want to find out where we get our nifty top hats, call us. We are insured.

Carter trips on his tongue

RICHARD MILLIMAN

Maybe it's only the fuddy-duddy coming out in me, but I'm disappointed in President Carter and disgusted with him for his choice of language in describing how he would beat Sen. Kennedy in some possible Democratic primary.

In case you're one of the handful of Americans unaware of what Mr. Carter said, here's what happened. He was asked at a White House dinner for Democratic Congressmen what he thought he'd do in a primary against Sen. Kennedy.

Mr. Carter said that he would whip Mr. Kennedy's posterior. The actual description used by the president was a vulgarism, which subsequently appeared in many daily newspapers around the world, was heard on radio and television, but won't be repeated in this column.

The media usage of Mr. Carter's vulgarism is a sad commentary of another sort. Maybe it indicates the extent to which the public mind has sunk these days, and to what depths the media in general is sinking right along with the public mind. The unanswered question I have is this: Which is leading which?

But back to Mr. Carter. His comment about running against Kennedy was no slip of the tongue. According to one report, he even repeated it when one congressman thought he had heard incorrectly. And, according to other media reports, the Carter staff was busy leaking "the inside story" to other absent congressmen and to Washington reporters, making sure of widespread dissemination of the remark.

Frankly, I'm a bit unsettled about the motivation for all this, but I won't try to unravel that mystery.

As I said above, I'm disappointed and disgusted with Mr. Carter for his vulgarity. It's definitely beneath the dignity of the office he holds, and the people have a right to expect much better from their President...

Of course other presidents have been vulgar and been accepted despite it. Harry Truman comes to mind. But such

language was in keeping with Mr. Truman's character; Mr. Carter had to put aside his Bible and his Sunday School lesson plan to come up with the objectionable comment. Such language contradicts his self-imposed image, and therefore grinds the wrong way.

Apparently those of us who object to such language by the President are in a minority. The Detroit Free Press ran a "Sound Off" survey on whether the President's language was objectionable, and only 45 percent thought it was, while 55 percent thought it was okay. This survey is not very scientific, but I don't question its results. I was a bit surprised that there were 45 percent who thought like I did; that's more than I expected.

How Mr. Carter would fare against Mr. Kennedy is open to question, Mr. Carter's vulgar prediction to the contrary notwithstanding. It's dangerous to try to trade quips with Sen. Kennedy.

Instead of being openly upset with Mr. Carter for his vulgar prediction, Mr. Kennedy did the proper public thing by laughing it off. Mr. Kennedy responded that he always knew the White House would stand behind him, but he didn't think it would be that close. Such a remark takes off any edge which the Carter comment might have enjoyed, and is a fine example of the delicate Kennedy style, any semblance of which Mr. Carter obviously so sorely lacks.

As election time draws nearer, it appears to me that Mr. Carter may well slip again and again. There was that early comment by Mr. Carter which will go down in my own personal history, anyway, about Bert Lance when Lance's troubles were starting to emerge. Said Mr. Carter: "I'm proud of you, Bert."

Then there was the "baloney" comment describing Mr. Carter's response to a Kennedy comment about how the White House was dealing with the excess profits picture, and now this latest episode.

Obviously Mr. Carter is worried about 1980. His own tongue may sink him yet.

Mr. and Mrs. Harry Hoerl were the honored guests on the occasion of their 50th wedding anniversary at a party hosted by their children Jim and Joyce Kolka and John and Shirley Linendoll at the Grayling House on Sunday, June 10, 1979. An excellent buffet prepared by Rich and Sis Burr of the Grayling House was served to the 104 guests who attended. A 3-tiered wedding cake was made and decorated by Mrs. Ruth Fenton for the occasion.

Harry Hoerl and Esther Gehringer were married in Detroit on June 8, 1929. They came to Grayling to take over Pat and Ella's Tavern on the Hill during the hunting season in 1946. They ran that for a few years and then opened Hoerl's Decorating Shop. The Tavern stood near the spot where the Grayling

House now stands.

Special guests for the celebration were the Hoerl's attendants, August and Adeline Hoerl of Dearborn Heights. The Harry Hoerl's had attended their golden wedding anniversary party in Dearborn Heights the weekend previously August and Harry are cousins and the two girls had been friends throughout school. They had planned a double wedding until someone told them it was bad luck. So they were married a week apart, each couple standing up for the other couple.

Another attendant, Walter Gehringer, Esther's brother was also a guest, as was the flower girl, now Mrs. Lenore Kersten of Trenton.

Because the Hoerl's were instrumental in the beginning of the Mt. Hope Lutheran Church, they were presented a gift from the congregation on Sunday morning and the choir sang a special number. Following the regular church service they returned into the the church where they repeated their wedding vows and exchanged new wedding bands.

Par For The Course

By Fay Bovee

The combined ages of a foursome of "youngsters" who were playing a round last week was 320 years, and none of them were using carts! Henry Deiner, W. D. Campbell, George Griffith, and John Libke are all frequent golfers at the club and seldom do they ride.

We finally found a Wednesday with beautiful weather on June 27 and Corrine Smith came in with a 41 and a chip-in on number 9. Dodie Brady scored a net of 30 and tied for putts of 14 with Ruth Nielson and Pearl Tucker. Marti Nowak in Flight B and Eddie Blaha and Clara Beaufait in Flight C also had 14 putts. Marti swept the Flight B prizes with a low gross of 52 and a low net of 32 along with her putting. Eddie Blaha in Flight C wasn't far behind, with a low gross of 53 and a low net of 29 which she shared with Marilyn Fick, also with a 29 net. To help Clara's putting she chipped in on No. 3.

Flight A women served the potluck luncheon and the table was centered with a bouquet of wildflowers. Sis Burr conducted a short business meeting in preparation for Gaylord Day on July 18. There will be no play next week for the 4th of July.

Thursday, June 28, was a perfect day for the Chippers and Putters League and newcomer Bob Stacey came in with a low of 36 in all foursomes.

The golf course is turning into a regular zoo! No, not the golfers! The threesome of Jerry Walker, Chuck Fick, and George

Olson spotted a yearling cub bear in the woods along number seven fairway while playing Friday evening. Their wives were playing right behind them and all hurried up to watch the bear and followed him for some time out toward the point in the river.

In Monday, play, on June 18, some of the women played in the morning and some in the afternoon, and because of the National Guard party there was no dinner that evening. Donna Thompson scored a chip-in on No. 8, Dodie Brady took low with a 44 and Gloria Nielson took low putts with 14.

For Monday, June 25, they again split play between morning and afternoon with all of them returning for the evening potluck. In play that night, Gloria Nielson scored a chip-in on No. 2, Dodie Brady took low with a 46 and Evelyn Gardiner and Betty Layman put in 15 putts each. The fun prize for high on holes 2, 4 and 6, was won by Charlotte Radzwion and for low on the same holes was Dodie Brady.

Monday night, July 9, will be steak night.

audiences from New York to Muskegon, with its up-beat, fast paced musical variety show.

The 16 singers and dancers build their program on the music of today. Popular tunes, Broadway musical production numbers, and old favorites are offered in contemporary settings and even sprinkled with an occasional disco beat to form a show that appeals to all ages.

Raynold Allvin, founder of the show troupe at Oakland University and its producer said that the quality of the show has exceeded even his highest hopes. It has assumed a fully professional status since it began to compete favorably with older established groups.

Road Commission Minutes

A regular meeting of the Crawford County Road Commission held in their office in Grayling, Chairman Richter presiding. Present were: Chairman, Ervin Richter, Commissioners Grover Cason, and Gloria Kraus, Manager, Charles Fox; and Secretary, Lorna Bernard. Absent: Engineer, Ron Herneke.

The minutes of the last regular meeting were read. Grover Cason made a motion to approve the minutes as corrected, seconded by Gloria Kraus. All voted in favor. Minutes approved.

Andie Neilson, Chairman of the Road and Bridges Committee and Claude T. Halstead, a member of the County Board of Commissioners, appeared before the Board. They discussed the possible use of the Block building at 502 Huron for storage use by the Sheriff's Marine patrol. They were informed that this building is in use at the present time. They also discussed the possibility of obtaining some salvage material to protect the windows at the Dog Pound. Manager Fox was instructed to check for usable materials. Mr. Neilson also required a copy of the Lease for the property on which the Dog Pound is located.

Manager Fox reported to the Board the inspection of Skyline Road. Repair of this road is scheduled for this summer.

The Board broke for lunch and upon returning to the office convened their meeting at 1:00 P.M.

Attorney Douglas Dossan appeared before the Board with a discussion about Union Negotiations. Ervin Richter made a motion to close the doors for the Union Negotiations, seconded by Grover Cason. Doors closed.

A request for a Leave of Absence from Tom Brooks for the period of June 18-29, 1979, was authorized by the Board.

At 3:30 the doors were opened and the meeting adjourned.

Grover Cason, Vice Chairman
Lorna Bernard, Secretary

HOME COMING

No one wanted the old country church torn down when the new building was put up across the road. It just didn't seem respectful. Charlie Swenson suggested, "Why not make it a museum?"

You should have seen the activity here one Saturday. Everyone for miles around turned out, bringing mops and paint brushes—and, of course, chicken salad and apple pies. Then we had a dedication ceremony. Charlie Swenson's wife accompanied us on the old piano as we sang "The Church's One Foundation."

Now tourists from the city come out to see the pot-bellied stoves, rustic pews and old lamps in our church museum. Once each summer we worship here.

For some of us there will always be a place in our hearts for this little church where we first learned about the teachings of God's Son. We love the new one, too. It is leading new generations into finding the same enduring values.

"Outer Limits" Canoe Adventure

TWO CANOES strike out downstream on the AuSable as a part of an Outer Limits Program designed to acquaint area youth with natural interpretation. Fred Engdahl accompanied the group of nine with a destination point of Oscoda, with a possible two earlier stops depending on weather conditions (Joe Schrader photo)

By Joe Schrader

"Welcome to Outer Limits: Awareness, Natural Interpretation, Personal Growth, Experimental Learning, Communication, Cooperation and much, much more.

With that theme in mind, nine canoeists headed downstream on the AuSable from Ray's Canoe Livery with a destination of Oscoda as their ultimate target.

The 3-day long canoe and camping trip represents only a segment of a program called "Tri-County Outer Limits", under the direction of Fred Engdahl. "Depending on the weather conditions, we may stop before Oscoda," Engdahl explained before departing with the group, "but wherever we decide to stop, it'll be a good experience for the kids involved."

The group departed

downstream Monday a week ago aboard canoes generously donated for the adventure by Ray's Canoe Livery. Engdahl accompanied the group "cruise" and said before they paddled off that this event was only one on a year-long program designed to plug some meaning as well as adventure into the lives of troubled youths.

The canoe event included two overnight stops, allowing participants to view ecology at its most prime moments.

The overall Outer Limits Program is being designed to expose its members to life in its purest naturalness. Other activities are being planned for group members

Lovells Home Extension

The Lovells Home Extension Study Group met at the home of Jane Commons with 21 members present.

Following a delicious luncheon, the meeting was opened by chairman, Velda Marshall. Roll Call was "a hint on improving house plants".

The secretary, treasurers report was given and accepted. Two members to attend college week at Michigan State: Mildred Johnson and Kitty Pelegrini. Jane Commons gave a report on the council meeting she attended. There will no longer be an area 16 Extension Council. Each group to send their dues to Lansing. Outgoing Chairman, Velda Marshall was elected unanimously as county chairman.

A thank you note was read from the Rey's Syndrome for our donation to them.

The annual college scholarship will be divided around three Maple Forest graduates: Carolyn Ayers, Joan Baynham and Mary Straley.

Plans were made for the annual bake sale and flea market which will be held on Saturday, July 7 at the Lovells Township Hall from 11:00 a.m. to 7 p.m.

The mystery package was won by Lattie Harris. There will be no further meetings until September. Hazel Koernke, Publicity

2nd Pig Roast at Country Club

BILL DENTON EXAMINES the pig to see how things were cooking. A makeshift cover had to be made so that Bill could continue cooking in the pouring rain on Sunday morning. Bill and Wally started about 5 a.m. and cooked until 7 p.m.

This is a fine collection of authoritative and famous volumes covering subjects of local outdoor lore, fishing and fly-tying. It is housed at the Crawford County Library and meant for the use of residents and guests in this area.

Parents

(Continued from Page 1)

child needs to know that his or her actions do have an effect on other people. In fact, if parent and child are to develop a good relationship in which both can feel good about themselves and each other. I need to get out in the open the Feelings I experience.

At our next parent discussion group we will be exploring a skill designed to help us express our feelings to our children in an honest, positive way. We'll also look at why our children need to know our feelings, and why we may all be a little hesitant to tell them who we are and how we feel about them.

This topic will be further explored this Monday evening at 7:30 at the Holiday Inn in Grayling. All parents are welcome!
